

# KEYNOTE SPEAKERS

**Johnny Carson** and **Jay Leno** have both done it on **The Tonight Show** - and now your CEO can do it too! Let the top-brass prove their commitment to success by standing between the blazing torches and razor sharp knives of the **Raspyni Brothers**.

Nowhere are success principles such as teamwork, time management, risk-taking, and competitive excellence illustrated with more wit and wisdom than during this keynote presentation.

**Juggling the Principles of Success** entertains as it educates, leaving the audience enthusiastic and highly-motivated about achieving greater levels of success in their professional and personal lives.
